Welcome to the Tom T. Hall Studio at South Plains College. As you can see, we're about ready for five nights of great music.

Hello, my name is \_\_\_\_\_ .  
I'm a Video Production Technology major here at SPC.

On Monday night, at 6:00PM, **Country Fest** kicks off with a wagonload of great country bands. Music ranging from Texas Swing to Cowboy will be featured. Plus, there will be a lot of current country hits.

On Tuesday night, catch us beginning at 6:00 PM for Rock 'n Roll. The **Rockfest** will feature a variety of rock bands and will give you an evening of lights and sound you'll long remember.

Wednesday night The Tom T. Hall studio is filled with **Rhythm and Blues**. Several great bands will perform some of your favorite R&B hits.

Join us here Thursday, at 7:30 for **Thursday Nite Live**. This is the final show of the semester and will feature the fantastic TNL ensemble.

The **Bluegrass Fest** starts at 7:00, Friday. Instructors and Students from our world-famous program will play your bluegrass favorites.

Join us here in the Tom T. Hall Studio for all these shows. If you can't, catch us live on SPC-TV.
